ORDER

This Order addresses Plaintiff Ralph S. Janvey's (the "Receiver") Rule 50(b) post-trial motion for judgment as a matter of law [232]. After considering all of the evidence and drawing all reasonable inferences in favor of the nonmoving party, the Court finds that a reasonable jury could have concluded, as this jury did, *see* Court's Charge to the Jury 8 [224], that the transfers in dispute were not fraudulent transfers. Accordingly, the Court denies the Receiver's motion.

Signed November 4, 2015.

David C. Godbey
United States District Judge
